

PROCEDURES MANUAL FOR UNDERGRADUATE STUDENTS
B.S.E. Human Resource & Workforce Development Education
Department of Rehabilitation, Human Resources and Communication Disorders

The purpose of this publication is to provide information that will assist students, advisors, and faculty with the process of program admission, progression, and completion. This document makes critical information available to you as you progress through the undergraduate HRWD degree completion program in the Department of Rehabilitation, Human Resources and Communication Disorders (RHRC), College of Education and Health Professions (COEHP), at the University of Arkansas. This publication is an aid for your use and is not intended to replace or supersede the [Undergraduate Catalog](#) or the University of Arkansas Student Handbook.

Although the responsibility for meeting and completing all requirements for degree completion is the responsibility of the student, *the student must work closely with the major advisor to be certain that all procedures are completed in a timely and efficient manner.*

Bachelor of Science in Education (B.S.E.) HRWD

The B.S.E. in HRWD is a minimum 120-hour online degree completion program. **The fifty one (51) HRWD required course hours are all online.** Other courses of the remaining **69 hours** to complete the degree may be completed online.

The HRWD major is specifically designed for career adults who need to complete a bachelor's degree that may open doors to opportunity and personal growth. The HRWD curriculum prepares individuals to apply integrated training, organizational development, career planning and counseling skills to the design, management, and evaluation of programs to improve individual productivity, employability, job satisfaction and

organizational effectiveness. The curriculum includes instruction in psychology; organizational behavior; skill testing and evaluation; program design; organizational development; and applications to issues such as training, management development, customer service, and total quality management. The plan of study accelerates degree completion by awarding technical credit for professional certifications and knowledge gained by experience. Online courses are offered in a traditional **15-week semester schedule**. Undergraduates also obtain a solid academic base to pursue a graduate degree. *This major does NOT lead to licensure for teachers in Arkansas.*

Admission into the B.S.E. HRWD program requires the following criteria:

- Have three or more years of full-time work experience or equivalent.
- Complete all 35 hours of university core courses. Nine hours of the required Social Sciences courses may be satisfied by completing Pre-HRWD Requirements: PSYC 2003, and, ECON 2013, ECON 2023 or ECON 2143
- Complete 3 hours of advanced level math from the approved list: MATH 2183, MATH 2053, STAT 2303 or MATH 1313 (or other approved Math course)
- Have a 2.5 minimum GPA.

All requirements for the bachelor's degree must be completed within six consecutive years after the date of admission. The six-year time begins with the date of admission to the program. Students must successfully complete HRWD 4333: HRD Capstone, with a grade of C or better in order to complete the degree.

Four-Semester Degree Completion Plan

HRWD students are NOT required to follow this plan; however, the HRWD faculty strongly suggests that students follow the plan.

The nature of the HRWD major excludes it from ACT 1014 eight-semester degree-completion program requirements. The HRWD degree is a 120-hour degree in accordance with ACT 747. Presented below is a typical plan for completing this degree in four semesters;

individual student plans may vary significantly. Students may be able to finish the program sooner if they enroll in summer courses.

1. Advising

- a. When the student is admitted to the B.S.E. program, a professional advisor works with him/her. The professional advisor is well versed in the requirements for the degree as developed by the HRWD faculty.
- b. The professional advisor works in conjunction with the HRWD program faculty to approve all coursework required for graduating with the B.S.E. HRWD degree.

Exceptions to the curriculum must be approved by the faculty. When enrolled in course work, it is the students' responsibility to communicate with the faculty instructing the course.

2. Academic Appeals

Students are first encouraged to resolve academic conflicts and complaints informally with the instructor involved, through their department, or through the assistance of the University Ombuds Office which can provide objective and confidential mediation. To assist students in identifying appropriate contact persons please view this List of Program, Department, and College Contacts, <http://boyer.uark.edu/11789.php>. If an informal resolution cannot be reached there are procedures for students to pursue complaints of an academic nature. Refer to the Undergraduate Catalog of Studies, <http://catalogofstudies.uark.edu/2882.php>, for appeals structures and formal procedures for academic grievances.

3. Program of Study

- a. General minimum requirements for the degree:
 - b. 120 semester hours;
 - c. Successful completion of the Capstone Course with a grade of C or better; and
 - d. A cumulative GPA of 2.0.
- b. B.S.E. HRWD Coursework
